Blitzen's Pop-Up Bar, Restaurant & Experience Returns to The Christmas Farm Inn - New England's Merriest Winter Escape Awaits

Jackson, NH – October 2025 – The Christmas Farm Inn & Spa, one of New England's most charming winter destinations, announces the return of Blitzen's Pop-up Bar, Restaurant & Experience, a limited-time, fully immersive holiday experience running November 28 through December 31, 2025.

Tucked away in the snow-dusted village of Jackson, New Hampshire, this annual pop-up transforms the inn into a North Pole hideaway. Guests from across New England flock each year to enjoy holiday cocktails, themed décor, festive workshops, and seasonal dishes that capture the magic of Christmas nostalgia.

"This year, the elves have outdone themselves! From caroling and snowman building to even more glittering decorations, Blitzen's 2nd Annual celebration promises more cheer, more sparkle, and more magic than ever before," said Kayla Delisle, Director of Sales & Marketing at The Christmas Farm Inn & Spa.

The menu features creative sips like "Chimney Hopper" "The Leg Lamp," and "Not So Nice List" alongside hearty comfort fare from the Inn's award-winning kitchen. Each evening delivers a cozy, festive atmosphere – glowing fireplaces, twinkle lights, laughter, and a dash of Christmas mischief.

"Oh, sugarplums and snowflakes – Blitzen's is back, and we've decked every hall, nook, and cocktail shaker!" said Jingles the Elf, Chief Cheer Officer at Blitzen's. "The North

Pole might have Santa, but here in Jackson, we've got the spirit on tap. Come hungry, come jolly, and don't forget to toast to the naughty list!"

Perfect for holiday getaways, date nights, or family gatherings, Blitzen's offers an escape that's uniquely New England — cozy, cheerful, and snow-globe picturesque.

Limited Run — Reserve Before It Vanishes

Blitzen's runs only for five weeks, from November 28 through December 31, and reservations fill up quickly. Guests are encouraged to book their dining experience, holiday stay, or event early at
